

# STRATEGIC PARTNERSHIP SERVICES

Our Strategic Partnership Services are a highly specialized engagements with new strategic partners and global companies looking for accelerated access to the local and regional markets and opportunities.

We combine our GFB group offerings, network of partnerships and alliances, and the long standing partnerships with clients and stakeholders as a force multiplier of our new strategic partners operational plans.

Through GFB AdvantEDGE, partners are provided with :

- ➔ Accelerated access to markets and opportunities
- ➔ Access to select projects and business opportunities.
- ➔ Facilitated / Privileged access to stakeholders and decision makers
- ➔ An added decision influencing leverage, for securing tenders and large projects
- ➔ Access to our direct network of strategic partners and services providers.
- ➔ Facilitated introduction to the business community and inner circles.
- ➔ Facilitated access to government grants and funding schemes
- ➔ Facilitated access to Public-Private partnerships.
- ➔ Access to highly selective investment opportunities.
- ➔ Experienced project managers and administrators.

We believe in making partnerships through trust, strategic alignment, and shared capabilities to create value and unique opportunities for our partners.
